

Dear MWSA members & community,

With the recent rise in COVID cases due to the Delta variant, MWSA is **announcing an important measure** to ensure the safety of all members, guests, volunteers, instructors, and staff as we get ready to return for the fall.

Please read this document to the end, and then, **read it again**; It's full of important details that require a timely response.

This decision was made in consultation with your Board of Directors. We recognize this is unexpected and we wish it was unnecessary. We would rather have low enrollment instead of another shutdown. So here we go...

Sincerely,

Deb Cautley
MWSA Executive Director
